

The MJ's

Group Rules

1. Allow everyone to have an equal opinion
2. Appropriate tasks to ensure one person isn't doing it all
3. Hold each other accountable for their part of the work
4. Have frequent discussions and pose questions
5. Set deadlines ahead of time to allow leeway in case of emergencies
6. Be nice

What We Don't Want

1. One person does all the work
2. No communication
3. Not cohesive, everything just slapped together
4. Resolve conflict early and in a healthy manner, work gets done best when mood is high
